Louisiana State Licensing Board for Contractors

The logo for the Louisiana State Licensing Board for Contractors (LSLBC) is a dark blue rounded rectangle containing the letters "LSLBC" in white, bold, sans-serif font.

Portable Buildings, Modular Manufactured  
and/or Mobile Housing

## Classification Description:

Refers to the installation, erection or construction of portable buildings, modular structures and mobile housing; A contractor's license is not required to install mobile homes or manufactured homes on axles for residential purposes. Modular home projects costing more than \$37,500, after subtracting the cost of component parts from the factory, may only be built by contractors holding the Residential Building Contractor license.
